

command\_handler

obc\_session\_manager

```
graph BT; obc_session_manager --> command_handler
```

The diagram illustrates a relationship between two components. At the top, the text 'command\_handler' is enclosed in a dashed rectangular box. Below this, the text 'obc\_session\_manager' is enclosed in a solid rectangular box. A vertical arrow points from the top edge of the 'obc\_session\_manager' box to the bottom edge of the 'command\_handler' box, indicating a directed relationship or call from the session manager to the command handler.
